TO THE HONORABLE ROBERT E. GERBER,
UNITED STATES BANKRUPTCY JUDGE:

In accordance with the Administrative Orders, dated June 24, 1991 and April 21, 1995, governing fees and disbursements for professionals in the Southern District of New York bankruptcy cases (collectively, the "Administrative Orders") and this Court's Order, Pursuant to Sections 105(a) and 331 of the Bankruptcy Code, Bankruptcy Rule 2016(a) and Local Bankruptcy Rule 2016-1, Establishing Procedures for Interim Monthly Compensation for Professionals (Docket No. 1334) (the "Interim Compensation Order"), Togut, Segal & Segal LLP (the "Togut Firm"), as conflicts

counsel to the above-captioned debtors and debtors in possession (collectively, the "Debtors"), hereby submits its Monthly Statement (the "Statement") of Services Rendered and Expenses Incurred for the Period March 1, 2010 through March 31, 2010 (the "Statement Period").

Itemization of Services Rendered and Disbursements Incurred

1. Attached hereto as "Exhibit A" is a summary of the services rendered by the Togut Firm for which compensation is sought, by project category. During the Statement Period, the Togut Firm was required to devote a substantial amount of time to rendering legal services on multiple matters, including, but not limited to:¹

Deutsche Bank Setoff

2. The Togut Firm has taken significant additional steps to prepare a response to the Motion by Deutsche Bank AG for Relief from Automatic Stay to Effect Setoff (the "Motion"), seeking to setoff approximately \$24 million on interest rate swaps against an equivalent amount of MLC public indebtedness, including, but not limited to: (i) review and analysis of the Motion and various pleadings and transcripts involving the sale of assets to New GM and the extension of debtor in possession financing to Motors Liquidation Corp. ("MLC"); (ii) review and analysis of ISDA Master Agreements, swap confirmations and related documents concerning interest rate swaps entered into between General Motors and Deutsche Bank AG ("Deutsche"); (iii) review and analysis of documents related to General Motors' issuance of certain

public indebtedness that Deutsche alleges it holds as beneficiary; (iv) extensive legal research concerning complex issues relevant to the validity and enforceability of right to setoff asserted by Deutsche; (v) analysis of, research concerning and preparing responses to points raised by Deutsche's and other relevant parties' counsel, including preparing a detailed response to New GM's arguments concerning the respective rights and obligations of New GM and MLC; and (vi) multiple telephone conferences and exchanges of emailed correspondence with counsel for Deutsche, New GM and the Official Unsecured Creditors Committee.

Airplane Lease Termination Issues

3. The Togut Firm continued to review and analyze claims asserted by SunTrust Leasing and Equipment Co. ("SunTrust") and AVN Air, LLC ("AVN"), aggregating in excess of \$200 million, which arise from the rejection of certain aircraft leases. The Togut Firm has recently reached an agreement in principle with SunTrust to significantly reduce and fix SunTrust's claim and is in the process of documenting same, while it continues to exchange information and have settlement discussions with AVN's representatives. The Togut Firm's services included, but were not limited to a continued, (i) review of lease terms, particularly liquidated damages provisions and payment schedules; (ii) collection of relevant documents and contracts between the parties; (iii) investigation of facts concerning value and present status of leased airplanes; (iv) research concerning principles of law of relevant jurisdictions applicable to stipulated loss value provisions and liquidated damages; (v) review of lease termination agreement at Alix Partners' request; (vi) negotiation with claimants' counsel about "capping letters"; (vii) negotiating with AVN's counsel about

confidentiality agreement covering proprietary plane sale information; (viii) development of strategy for efficient resolution of potential claim disputes; and (ix) multiple telephone conferences and exchanges of emailed correspondence with analysts at Alix Partners, counsel for SunTrust, AVN and the creditors' committee concerning confidentiality, mitigation and related issues to reduce and fix the claims.

Motion to Rescind Assumption

4. The Togut Firm continued to investigate the facts and relevant principles of law concerning new GM's motion to rescind the alleged assumption and assignment of a sublease agreement with the Knowledge Learning Corporation ("KLC"). Settlement negotiations between New GM and KLC are ongoing. The Togut Firm also coordinated with the creditors' committee with respect to the motion.

Miscellaneous

5. During the Statement Period, the Togut Firm was required to provide services in a variety of miscellaneous matters:

- Communicated with Weil Gotshal & Manges LLP, lead counsel to the Debtors, concerning, among other things, coordination of the Togut Firm's role in the Debtors' case and delegation of projects to promote coordination and avoid duplication of effort;
- Participated in calls, meetings, e-mails and correspondence with parties in interest as needed, including counsel for the Official Committee of Unsecured Creditors, representatives of the Debtors, and the United States Trustee; and
- Reviewed various motions and related pleadings filed with the Court regarding case and project strategy, and potential issues of concern.

6. Attached hereto as "Exhibit B" is a listing of the Togut Firm's professionals and paraprofessionals, including the standard hourly rate for each

attorney² and paraprofessional³ (collectively, the "Togut Firm Professionals") who rendered services to the Debtors in connection with these chapter 11 cases during the Statement Period and the title, hourly rate, aggregate hours worked and the amount of fees earned by each Togut Firm Professional.

7. Attached hereto as "Exhibit C" is a summary of the types of expenses for which reimbursement is sought. Attached hereto as "Exhibit D" is a detailed itemization of such expenses.

8. Attached hereto as "Exhibit E" are the time records of the Togut Firm, which provide a daily summary of the time spent by each Togut Firm Professional during the Statement Period by project category.

9. The total amounts sought for fees for professional services rendered and reimbursement of expenses incurred for the Statement Period are:

Total Fees	\$58,715.00

² Attorneys include partners, of counsel, associates and law clerks.

³ Paraprofessionals include paralegals and law clerks.

Notice and Objection Procedures

11. In accordance with the Interim Compensation Order, notice of the Statement has been served upon the following parties (collectively, as further defined in the Interim Compensation Order, the "Notice Parties"): (i) the Debtors, Motors Liquidation Company, 300 Renaissance Center, Detroit, Michigan 48265 (Attn: Ted Stenger); (ii) the attorneys for the Debtors, Weil, Gotshal & Manges LLP, 767 Fifth Avenue, New York, New York 10153 (Attn: Stephen Karotkin, Esq. and Joseph Smolinsky, Esq.); (iii) the attorneys for the Creditors' Committee, Kramer Levin Naftalis & Frankel LLP, 1177 Avenue of the Americas, New York, New York 10036 (Attn: Thomas Moers Mayer, Esq. and Robert Schmidt, Esq.); and (iv) the United States Trustee, 33 Whitehall Street, 22nd Floor, New York, New York 10004 (Attn: Diana G. 12. Pursuant to the Interim Compensation Order, objections to this Statement, if any, must be served upon the Notice Parties, including the Togut Firm, no later than May 24, 2010 (the "Objection Deadline"), setting forth the nature of the objection, and the specific amount of fees and expenses at issue.

13. If no objections to the Statement are received on or before the Objection Deadline, the Debtors will pay to the Togut Firm 80% of the fees and 100% of the expenses identified in the Statement.

14. To the extent an objection to the Statement is received on or before the Objection Deadline, the Debtors will withhold payment of that portion of the Statement to which the objection is directed, and will promptly pay the remainder of the fees and disbursements in the percentages set forth above. To the extent such

objection is not resolved, it shall be preserved and scheduled for consideration at the next interim fee application hearing.

AS CONFLICTS COUNSEL TO THE DEBTORS, FOR
THE PERIOD APRIL 1, 2010 THROUGH APRIL 30, 2010**

TO THE HONORABLE ROBERT E. GERBER,
UNITED STATES BANKRUPTCY JUDGE:

In accordance with the Administrative Orders, dated June 24, 1991 and April 21, 1995, governing fees and disbursements for professionals in the Southern District of New York bankruptcy cases (collectively, the "Administrative Orders") and this Court's Order, Pursuant to Sections 105(a) and 331 of the Bankruptcy Code, Bankruptcy Rule 2016(a) and Local Bankruptcy Rule 2016-1, Establishing Procedures for Interim Monthly Compensation for Professionals (Docket No. 1334) (the "Interim Compensation Order"), Togut, Segal & Segal LLP (the "Togut Firm"), as conflicts

counsel to the above-captioned debtors and debtors in possession (collectively, the "Debtors"), hereby submits its Monthly Statement (the "Statement") of Services Rendered and Expenses Incurred for the Period April 1, 2010 through April 30, 2010 (the "Statement Period").

Itemization of Services Rendered and Disbursements Incurred

1. Attached hereto as "Exhibit A" is a summary of the services rendered by the Togut Firm for which compensation is sought, by project category. During the Statement Period, the Togut Firm was required to devote a substantial amount of time to rendering legal services on multiple matters, including, but not limited to:¹

Deutsche Bank Setoff

2. The Togut Firm has taken significant additional steps to prepare a response to the Motion by Deutsche Bank AG for Relief from Automatic Stay to Effect Setoff (the "Motion"), seeking to setoff approximately \$24 million on interest rate swaps against an equivalent amount of MLC public indebtedness, including, but not limited to: (i) review and analysis of the Motion and various pleadings and transcripts involving the sale of assets to New GM and the extension of debtor in possession financing to Motors Liquidation Corp. ("MLC"); (ii) review and analysis of ISDA Master Agreements, swap confirmations and related documents concerning interest rate swaps entered into between General Motors and Deutsche Bank AG ("Deutsche"); (iii) review and analysis of documents related to General Motors' issuance of certain

public indebtedness that Deutsche alleges it holds as beneficiary; (iv) further legal research concerning complex issues relevant to the validity and enforceability of right to setoff asserted by Deutsche; (v) investigating relevant facts in coordination with Alix Partners; (vi) analysis of, research concerning and preparing responses to points raised by Deutsche's and other relevant parties' counsel, including preparing an extensive formal response at New GM's request to its arguments concerning the respective rights and obligations of New GM and MLC; and (vii) multiple telephone conferences and exchanges of emailed correspondence with counsel for Deutsche, New GM and the Official Unsecured Creditors Committee.

Airplane Lease Termination Issues

3. The Togut Firm continued to review and analyze claims asserted by SunTrust Leasing and Equipment Co. ("SunTrust") and AVN Air, LLC ("AVN"), aggregating in excess of \$200 million, which arise from the rejection of certain aircraft leases. An agreement with SunTrust to reduce and fix its claim has recently been reached. Pursuant to this agreement, the SunTrust claim will be reduced by approximately \$42 million. Additionally, the Togut Firm continues to share information and engage in settlement discussions with AVN's counsel regarding the reduction of AVN's claim. The Togut Firm's services included, but were not limited to a continued, (i) review of lease terms, particularly liquidated damages provisions and payment schedules; (ii) collection of relevant documents and contracts between the parties; (iii) investigation of facts concerning value and present status of leased airplanes; (iv) research concerning principles of law of relevant jurisdictions applicable to stipulated loss value provisions and liquidated damages; (v) review of lease

termination agreement at Alix Partners' request; (vi) finalizing confidentiality agreement with AVN covering proprietary plane sale information; (vii) continued development of strategy for efficient resolution of potential claim disputes; and (viii) multiple telephone conferences and exchanges of emailed correspondence with analysts at Alix Partners, counsel for SunTrust, AVN and the creditors' committee concerning confidentiality, mitigation, including in the case of AVN, plane sale information, and related issues to reduce and fix the claims.

Motion to Rescind Assumption

4. The Togut Firm continued to address the issues raised by new GM's motion to rescind the alleged assumption and assignment of a sublease agreement with the Knowledge Learning Corporation ("KLC"). Settlement negotiations between New GM and KLC are ongoing. The Togut Firm has also coordinated with the creditors' committee with respect to the motion.

Miscellaneous

5. During the Statement Period, the Togut Firm was required to provide services in a variety of miscellaneous matters:

- Communicated with Weil Gotshal & Manges LLP, lead counsel to the Debtors, concerning, among other things, coordination of the Togut Firm's role in the Debtors' case and delegation of projects to promote coordination and avoid duplication of effort;
- Participated in calls, meetings, e-mails and correspondence with parties in interest as needed, including counsel for the Official Committee of Unsecured Creditors, representatives of the Debtors, and the United States Trustee; and
- Reviewed various motions and related pleadings filed with the Court regarding case and project strategy, and potential issues of concern.

6. Attached hereto as "Exhibit B" is a listing of the Togut Firm's professionals and paraprofessionals, including the standard hourly rate for each attorney² and paraprofessional³ (collectively, the "Togut Firm Professionals") who rendered services to the Debtors in connection with these chapter 11 cases during the Statement Period and the title, hourly rate, aggregate hours worked and the amount of fees earned by each Togut Firm Professional.

7. Attached hereto as "Exhibit C" is a summary of the types of expenses for which reimbursement is sought. Attached hereto as "Exhibit D" is a detailed itemization of such expenses.

8. Attached hereto as "Exhibit E" are the time records of the Togut Firm, which provide a daily summary of the time spent by each Togut Firm Professional during the Statement Period by project category.

EXPENSES INCURRED BY TOGUT, SEGAL & SEGAL LLP,
AS CONFLICTS COUNSEL TO THE DEBTORS, FOR
THE PERIOD MAY 1, 2010 THROUGH MAY 31, 2010**

TO THE HONORABLE ROBERT E. GERBER,
UNITED STATES BANKRUPTCY JUDGE:

In accordance with the Administrative Orders, dated June 24, 1991 and April 21, 1995, governing fees and disbursements for professionals in the Southern District of New York bankruptcy cases (collectively, the "Administrative Orders") and this Court's Order, Pursuant to Sections 105(a) and 331 of the Bankruptcy Code, Bankruptcy Rule 2016(a) and Local Bankruptcy Rule 2016-1, Establishing Procedures for Interim Monthly Compensation for Professionals (Docket No. 1334) (the "Interim Compensation Order"), Togut, Segal & Segal LLP (the "Togut Firm"), as conflicts

counsel to the above-captioned debtors and debtors in possession (collectively, the "Debtors"), hereby submits its Monthly Statement (the "Statement") of Services Rendered and Expenses Incurred for the Period May 1, 2010 through May 31, 2010 (the "Statement Period").

Itemization of Services Rendered and Disbursements Incurred

1. Attached hereto as "Exhibit A" is a summary of the services rendered by the Togut Firm for which compensation is sought, by project category. During the Statement Period, the Togut Firm was required to devote a substantial amount of time to rendering legal services on multiple matters, including, but not limited to:¹

Deutsche Bank Setoff

2. The Togut Firm has taken significant additional steps to prepare a response to the Motion by Deutsche Bank AG for Relief from Automatic Stay to Effect Setoff (the "Motion"), seeking to setoff approximately \$24 million on interest rate swaps against an equivalent amount of MLC public indebtedness, including, but not limited to: (i) review and analysis of the Motion and various pleadings and transcripts involving the sale of assets to New GM and the extension of debtor in possession financing to Motors Liquidation Corp. ("MLC"); (ii) review and analysis of ISDA Master Agreements, swap confirmations and related documents concerning interest rate swaps entered into between General Motors and Deutsche Bank AG ("Deutsche"); (iii) review and analysis of documents related to General Motors' issuance of certain

public indebtedness that Deutsche alleges it holds as beneficiary; (iv) further legal research concerning complex issues relevant to the validity and enforceability of right to setoff asserted by Deutsche; (v) investigating relevant facts in coordination with Alix Partners; (vi) analysis of, research concerning and preparing responses to points raised by Deutsche's and other relevant parties' counsel; and (vii) multiple telephone conferences and exchanges of emailed correspondence with counsel for Deutsche, New GM and the Official Unsecured Creditors Committee. In addition, the Togut Firm advised and assisted Alix Partners in negotiations concerning the respective rights and obligations of New GM and MLC.

Airplane Lease Termination Issues

3. The Togut Firm continued to review and analyze claims asserted by SunTrust Leasing and Equipment Co. ("SunTrust") and AVN Air, LLC ("AVN"), aggregating in excess of \$200 million, which arise from the rejection of certain aircraft leases. An agreement with SunTrust to reduce and fix its claim has recently been completed. Pursuant to this agreement, the SunTrust claim will be reduced by approximately \$42 million. Additionally, the Togut Firm continues to share information and engage in settlement discussions with AVN's counsel regarding the reduction of AVN's claim. The Togut Firm's services included, but were not limited to a continued, (i) review of lease terms, particularly liquidated damages provisions and payment schedules; (ii) collection of relevant documents and contracts between the parties; (iii) investigation of facts concerning value and present status of leased airplanes; (iv) research concerning principles of law of relevant jurisdictions applicable to stipulated loss value provisions and liquidated damages; (v) review of lease

termination agreement at Alix Partners' request; (vi) finalizing confidentiality agreement with AVN covering proprietary plane sale information; (vii) continued development of strategy for efficient resolution of potential claim disputes; and (viii) multiple telephone conferences and exchanges of emailed correspondence with analysts at Alix Partners, counsel for SunTrust, AVN and the creditors' committee concerning confidentiality, mitigation, including in the case of AVN, plane sale information, and related issues to reduce and fix the claims.

Motion to Rescind Assumption

4. The Togut Firm continued to address the issues raised by new GM's motion to rescind the alleged assumption and assignment of a sublease agreement with the Knowledge Learning Corporation ("KLC"). Settlement negotiations between New GM and KLC have recently resulted in a settlement being reached which the parties are documenting. Pursuant to such settlement, the assumption and assignment will not be rescinded. The Togut Firm has also coordinated with the creditors' committee with respect to the motion.

Miscellaneous

5. During the Statement Period, the Togut Firm was required to provide services in a variety of miscellaneous matters:

- Communicated with Weil Gotshal & Manges LLP, lead counsel to the Debtors, concerning, among other things, coordination of the Togut Firm's role in the Debtors' case and delegation of projects to promote coordination and avoid duplication of effort;
- Participated in calls, meetings, e-mails and correspondence with parties in interest as needed, including counsel for the Official Committee of Unsecured Creditors, representatives of the Debtors, and the United States Trustee; and

- Reviewed various motions and related pleadings filed with the Court regarding case and project strategy, and potential issues of concern.

6. Attached hereto as "Exhibit B" is a listing of the Togut Firm's professionals and paraprofessionals, including the standard hourly rate for each attorney² and paraprofessional³ (collectively, the "Togut Firm Professionals") who rendered services to the Debtors in connection with these chapter 11 cases during the Statement Period and the title, hourly rate, aggregate hours worked and the amount of fees earned by each Togut Firm Professional.

7. Attached hereto as "Exhibit C" is a summary of the types of expenses for which reimbursement is sought. Attached hereto as "Exhibit D" is a detailed itemization of such expenses.

8. Attached hereto as "Exhibit E" are the time records of the Togut Firm, which provide a daily summary of the time spent by each Togut Firm Professional during the Statement Period by project category.

9. The total amounts sought for fees for professional services rendered and reimbursement of expenses incurred for the Statement Period are:

Total Fees	\$112,003.67

TOTAL	<u>\$112,894.34</u>

² Attorneys include partners, of counsel, associates and law clerks.

³ Paraprofessionals include paralegals and law clerks.

10. Pursuant to the Interim Compensation Order, the Togut Firm seeks payment of \$90,493.60 from the Debtors for the Statement Period (the "Interim Amount"), representing (a) 80% of the Togut Firm's total fees for services rendered and (b) 100% of the total disbursements incurred.

Notice and Objection Procedures

11. In accordance with the Interim Compensation Order, notice of the Statement has been served upon the following parties (collectively, as further defined in the Interim Compensation Order, the "Notice Parties"): (i) the Debtors, Motors Liquidation Company, 300 Renaissance Center, Detroit, Michigan 48265 (Attn: Ted Stenger); (ii) the attorneys for the Debtors, Weil, Gotshal & Manges LLP, 767 Fifth Avenue, New York, New York 10153 (Attn: Stephen Karotkin, Esq. and Joseph Smolinsky, Esq.); (iii) the attorneys for the Creditors' Committee, Kramer Levin Naftalis & Frankel LLP, 1177 Avenue of the Americas, New York, New York 10036 (Attn: Thomas Moers Mayer, Esq. and Robert Schmidt, Esq.); and (iv) the United States Trustee, 33 Whitehall Street, 22nd Floor, New York, New York 10004 (Attn: Diana G. 12. Pursuant to the Interim Compensation Order, objections to this Statement, if any, must be served upon the Notice Parties, including the Togut Firm, no later than August 9, 2010 (the "Objection Deadline"), setting forth the nature of the objection, and the specific amount of fees and expenses at issue.

13. If no objections to the Statement are received on or before the Objection Deadline, the Debtors will pay to the Togut Firm 80% of the fees and 100% of the expenses identified in the Statement.

14. To the extent an objection to the Statement is received on or before the Objection Deadline, the Debtors will withhold payment of that portion of the Statement to which the objection is directed, and will promptly pay the remainder of the fees and disbursements in the percentages set forth above. To the extent such objection is not resolved, it shall be preserved and scheduled for consideration at the next interim fee application hearing.
